Warrant for the 1949 Town Meeting

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milton in the County of Strafford, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the eighth day of March, next, at ten of the clock in the forenoon, with polls not closing before six of the clock in the afternoon, to act on the following subjects:

1. To bring in your ballots for Town Officers.

2. To determine the salaries, wages, and other compensation and allowances for all persons serving the Town, and pass any other vote or votes relative thereto.

3. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred dollars ($2,500.00) for street lights.

4. Petition 1. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred dollars ($2,500.00) for construction of a black top road on the highway known as the Hare Road in West Milton. If the town so votes, Weston Palmer will contribute the sum of one thousand dollars ($1,000.00) under the provisions of his letter, dated February 10, 1949, to aid in this project making a total of $3,500.00. (By petition of James H. McDowell and fourteen others.)

5. Petition 2. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) to resurface and oil a

section of the Willey Road from Rines Corner as far as the appropriation will go. (By petition of Ralph D. Laskey and twelve others.)

6. Petition 3. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,00.00) to be used in spreading gravel on the Goodwin Road, so-called, in West Milton. (By petition of Henry Johnson and thirty-one others.)

7. Petition 4. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand five hundred dollars ($1,500.00) for the oiling and grading of School Street in Milton village. (By petition of Herbert Downs and fourteen others.)

8. Petition 5. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) to oil the road on upper Silver Street, from the end of the black road. (By petition of Carl Peterson and fourteen others.)

9. Petition 6. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) to be expended on reconstruction and surfacing of Remick Street. (By petition of John Kimball and thirty-four others.)

10. To see if the Town will vote to raise and appropriate a sum of money not to exceed seven thousand dollars ($7,000.00) for winter maintenance.

11. To see if the Town will vote to raise and appropriate a sum of money not to exceed nine hundred dollars ($900.00) for the continuance of the black road on Nute's Ridge.

12. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred eighty-one dollars ($2,581.00) for the construction of the New Bridge Road and/or the Rowe

Dam Road, and pass any other vote or votes relative thereto. (The State of New Hampshire to contribute $2,581.00.)

13. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred twenty-nine dollars and thirty-three cents ($529.33) in order to receive Town Road Aid. (The State of New Hampshire to contribute $2,117.33.)

14. To see if the Town will vote to raise and appropriate a sum of money not to exceed six thousand five hundred dollars ($6,500.00) for repair of highways and bridges.

15. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred fifty dollars ($250.00) to be expended on the Camp Roads.

16. To see if the Town will vote to raise and appropriate a sum of money not to exceed ten thousand dollars ($10,000.00) to pay Town charges and expenses, and pass any other vote or votes relative thereto.

17. To see what sum of money the Town will vote to raise and appropriate for a loader, and pass any vote or votes relative thereto.

18. To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) for the repair of the town tractor.

19. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) for the Town Beach.

20. To see if the Town will vote to raise and appropriate a sum of money not to exceed six hundred dollars ($600.00) for the installation of a bathroom in the Looney House.

21. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred dollars ($2,500.00) for oiling.

22. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars ($500.00) for the maintenance of hydrants in Milton Fire Precinct.

24. To see if the Town will vote to raise and appropriate a sum of money not to exceed three hundred dollars ($300.00) for the Milton Free Public Library at Milton Mills. (This will include the amount allowed by law.)

25. To see if the Town will vote to raise and appropriate a sum of money not to exceed four hundred dollars ($400.00) for the control of White Pine Blister Rust. (This is the sum we are required by law to raise.)

26. To see if the Town will authorize the Selectmen to hire on notes of the Town a sum of money necessary to pay current expenses in anticipation of taxes of 1949, and pass any other vote or votes relative thereto.

27. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) for the Fire Department, and pass any other vote or votes relative thereto.

28. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars ($500.00) for the maintenance of the fire engine at Milton Mills.

29. To see if the Town will vote to raise and ap-

propriate a sum of money not to exceed five hundred dollars ($500.00) to complete the fire station at Milton Mills.

30. To see what sum of money the Town will vote to pay the first and second Engineers and Firemen in addition to the amount allowed by law; to see how much per hour the Town will vote to pay Engineers and Firemen while fighting fires and pass any other vote or votes relative thereto.

31. To see if the Town will vote to raise and appropriate the sum of one hundred seventy-two dollars ($172.00), which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Lakes Region. (Request of the Lakes Region Association.)

32. To see if the Town will vote to purchase a Fire Boat and raise and appropriate the necessary money. (By petition of twenty-eight cottage owners.)

33. To transact any other business that may legally come before this meeting.

Report of the Commissioners of the Milton Fire Precinct

Your Commissioners submit the following report for the year of 1948.

On the first day of February, 1948, we experienced our first difficulty in giving the District all the water it could use in its twelve years of existence. This trouble was caused by the low water in the lake and the long period without rain, allowing the water level to drop to ten feet below ground level. Although we still had fifteen feet in the wells our pumps could not lift the water for some unknown reason. After two days of frantic efforts the problem was solved by shutting off one of the twelve wells in the well field. We were barely out of this trouble when, owing to the unusually cold weather, water services crossing under the highways began freezing up all over the village. At the grammar school where the service would not respond to electric thawing we were compelled to dig up the frozen ground to a depth of five feet clear to the water main.

We extended the main on route 16 from the Mountain Road to the home of Ralph Williams, laying 550 feet of six-inch main, put in a service, made provisions for a hydrant, which arrived too late to install, laid 180 feet of 1½-inch copper tubing to Bowering's Beach, and installed twelve services to summer cottages that are now there, also a service to Joseph Bedard on Charles Street.

The entire system seems to be in good condition and we anticipate no serious trouble in the near future. Possibly our tank on upper Silver Street is in need of considerable work although what can be seen of it is in good condition. However, tank companies

tell us that type of tank should never go over ten years without being drained, cleaned and scaled with a power scaler and all pits and weak places repaired with an electric welder and painted inside and out with special paint. The cost of this job would be about $2,000.00.

Our book, which was made by our Engineer, Harlan Bryant in 1936, locating all shut offs in services, mains and hydrants, was lacking many new shut offs and in a dilapidated condition, as it was made in a cheap book and done with pencil; lest this valuable data be lost to future officials we had Engineer Grant Davis make three duplicate books on blue print, and the new shut offs added.

Respectfully submitted,

STANLEY C. TANNER,
FRANK E. McINTIRE,
EDWIN C. THOMPSON,
Commissioners.

Report of the Milton Fire Department

To the Selectmen and Voters of the Town of Milton:

We have answered the following calls the past year:

5 where buildings were involved
14 dump fires
4 chimney fires
2 brush fires
2 furniture fires
1 oil burner
6 Milton Leatherboard Co. dump

In rendering my report of the Fire Department for 1948 I would like to state a few facts that evidently aren't quite clear to some of the voters. I have been severely criticized by a few for exceeding my appropriation to the extent of approximately three hundred dollars ($300.00). I have examined town reports for the past twelve years and find that the appropriation has been seven hundred and fifty dollars ($750.00), that was for the maintenance of *one truck* and from twelve to fourteen men. Now we have two trucks, three portable pumps and a trailer to maintain for two hundred and fifty dollars ($250.00) more, or the total amount of one thousand dollars ($1,000.00). We also have an insurance of one hundred and thirty dollars ($130.00) a year for the blanket coverage of thirty men in an emergency. We also are buying twelve new Indian pumps a year which cost us ninety dollars ($90.00). I hope to continue this until we have fifty of these pumps. We now have twenty-three and this year's order will give us thirty-five. We have had a major over-haul of the Ford truck, the first that I know of in the eight years it has been in service. This accounts for the large garage bill. With this we had to have a

new battery and generator. We have a new tire for the truck and would like to renew the others this year. We have less than two thousand feet of 2½-inch hose and part of it is twenty years old (not any good for the hydrant and pump pressure of today). We have thirteen hundred feet of 1½-inch hose which is in excellent shape but isn't enough for the three pumps.

The Town Dump

This is going to be one of the major headaches for the next year unless something is done about it. The expense of the dump has grown from fifty dollars ($50.00) in 1936 to, I believe, if all figures were compiled, four hundred and fifty dollars ($450.00) and each year it is going to cost you more and more. I think it's about time some restrictions were placed on the dump under the supervision of a capable person and have the dump open two days a week. It wouldn't cost the town any more and the dump would be in a much better condition. We made fourteen trips to the dump last year and spent the larger amount of the gasoline and oil expense of the department at the dump, either burning it or getting it under control after someone or thing had set it ablaze.

Payroll

Some people think because the payroll is entered in the Town Report under my name that it is my wages; that is the salary and wages of eleven men for the year and not mine alone. I have a record of all the men's wages if anyone is interested.

I wish to thank all those who have helped us in the past and hope to have their continued support in the future.

Respectfully submitted,

HERBERT C. DOWNS,
Chief.

Report of the Commissioners of the Milton Mills Fire District

The Commissioners take this opportunity at this time to thank and congratulate the people in the District and surrounding areas on their care and caution in starting and controlling fires this past year. In the year ending January 1, 1948, there were seventeen calls against ten calls during the present year. The 1948 calls do not include the calls during the disaster period of October, 1948. This decrease can only be attributed to the people themselves.

The new fire station was practically completed during December and the equipment moved. The Commissioners have asked the Town for the sum of $500.00 to paint the building, put in the cement floor and build the outside staircase. A large pot type burner has been installed by the District for heating the engine compartment. A wood burning type stove will be used to heat the upper chamber where the firemen will met, and incidentally expect to hold parties for the purpose of raising funds to complete the interior of this part of the building.

Under Article 9, the 1948 Warrant, the Commissioners were authorized to borrow the sum of $1,000.00 on notes of the District to purchase a chassis and tank for use with the portable pump and hose bought during October, 1948. A 1940 Ford cab-over-engine job was purchased and a 600-gallon tank was ordered from the Bath Iron Works. This tank was inspected by the firemen at Kennebunk, where they saw it on a new Ford with a booster pump, the outfit now selling for $3,750.00. It gives the Town and the District a piece of extremely valuable equipment. It can be used to fight house fires immediately on arrival while the big

pumper is laying hose lines. It can be used for house fires beyond water supplies as it will carry 600 gallons of water. It will carry forest fire fighting equipment in addition to water (we still have large areas of slash surrounding the town). It will provide a second engine to stay in town when the pumper is called to help our neighbors.

The following budget is recommended for the year of 1949:

Salaries for firemen,	$500 00
Operating expenses,	175 00
Telephone and electric bills,	54 00
Insurance on trucks,	86 00
Insurance on men,	55 00
Treasurer's expenses,	5 00
New equipment,	50 00
Note and interest,	240 00
	$1,165 00

Parks and Playground Commission

To the Board of Selectmen and Citizens of Milton:

We hereby submit to you our report for this new department, created at the last annual town meeting to operate the Town Beach.

Appointed rather late we immediately went to work on the fence and were fortunate in locating a concern who was able to consider the job at once. The American Chain Link Fence Company erected 1,706 feet of fence six feet high with three strands of barbed wire on top and two gates for $3,600.00. We had considerable difficulty locating a swimming instructor qualified by the Red Cross to give tests and award certificates at such a late date. William Westell, a student at Boston University, was furnished by a Boston Red Cross School with full qualifications for the work, arrived July 5th to open the season. The concession was offered for bids and was awarded to Ernest Caron and Joseph Slamin for $150.00 plus some labor and materials to make a section of the bath houses into a small store. The bath houses and toilets were renovated and painted and the grounds policed.

On July 10th we felt conditions would warrant the introduction of an admission charge, and with no opportunity to prepare the public for the change, they were confronted with the reality that what had been for over ten years a free swimming beach and picnic grounds was now a controlled area with gates opening at 10:00 A. M. and closing at 10:00 P. M., and to enter would cost ten cents for each non-resident and non-taxpayer over twelve years of age. Residents and taxpayers who purchased and support the beach by taxes were given the opportunity to purchase a season ticket for $1.00 that would entitle the heads of the family

plus ten cents for each child over sixteen years of age to use the beach as often as they liked. This admission charge at the gate amounted to $976.79 and the general public accepted it with very few complaints; a great many told us they felt more free to use the beach.

Drive-in movies were tried a few evenings and there seemed to be a great demand for them, but the equipment was not large enough for this type project. We felt patrons were not getting their money's worth and it was discontinued. We received $78.33 as our share in this venture.

We had all the bushes cut and burned and the grounds smoothed to some extent with the grader. At the close of the season the children were given an entertainment and refreshments at the Town House. In the late fall when the water was low we put in about one hundred five-yard truck loads of gravel which filled the mud hole in the beach that has always been an eyesore in low water, also the low land in the picnic grounds.

We believe the greater part of the rough work is now taken care of but there is a great deal to be done in the line of smoothing up the grounds for beach games, etc., and general beautifying the whole area.

From this year's results it would seem the fence would be paid for in four yearly installments of $900.00 each from the income, and the $1,000.00 raised by taxation would take care of the instructor, equipment and improvements until that time, it would then have a fair chance to operate on its own income.

Respectfully submitted,

CHARLES R. WHITEHOUSE,
STANLEY C. TANNER,
HALTON R. HAYES,
Commissioners.

TOWN BEACH REPORT

To Whom It May Concern:

In the summer of 1948, the Milton Town Beach was officially open every day from July 4 to September 4.

During that time, the beach area was supervised and guarded from 10:00 A. M. to 5:00 P. M. American Red Cross Life Saving and Water Safety Courses were conducted from 10:00 A. M. to 12:30 P. M., Monday through Friday. The number of graduates in the Beginners' Course was 35; in the Intermediates, 30; in the Swimmers, 24; in Junior Life Saving, 4; in Senior Life Saving, 1; and in Advanced Swimmers, 5. Some boys and girls took advantage of and successfully completed every course that was offered during this period. Several of the mothers in town showed great interest in the courses and brought their small children down to the classes in order that they may have the advantages of the instructions being offered. This showed a fine community spirit. The Red Cross certificates for Milton were received by me just during the past month from the New York Red Cross Headquarters. They are this day being forwarded to Mr. Charles Whitehouse opposite the main gate leading to the Milton Town Beach.

There were no serious accidents or fatalities and order and safe conduct of visitors was maintained. I appreciate the cooperation from civic-minded residents in helping to keep the beach clean.

Respectfully submitted,

WILLIAM E. WESTELL.
